

Paschal Band Boosters

Paschal High School
3001 Forest Park Blvd., Fort Worth, TX 76110

Our Band Boosters are dedicated to supporting the band students and band program at Paschal. We raise and provide funds, and volunteer time so our students have what is needed to be the best they can be!

Your time, fundraising efforts, and financial support allows Paschal Band to keep required band fees as low as possible. Our goal is to match or exceed the amount each student pays so we can continue to be competitive within our region. Most programs we compete with require families to pay fees double that of ours.

A minimum of \$60,000 will be raised just to assist in paying for ½ of each student's fees.

Our efforts also enhance your student's experience in many ways: snacks during games, clean uniforms, charter buses to different venues, competition lunches, special reward trips and parties, and most importantly, technical assistance from additional instructors and clinicians .

Boosters help make important decisions, gain information, have voting privileges, and support the directors. They also get to know other band parents and students.

Join us now! \$20

Pay with cash or check payable to: Paschal Band Boosters.

You also can join online at: www.paschalband.com/band-boosters.html

A band decal for your car is complimentary with each paid membership.
